

CHARITY AUCTION
West Des Moines United Methodist Church

August 23rd

6:00 – Des Moines Area Quilter’s Guild Charity Auction

The charity auction will be Tuesday, August 23, 2005 at 6:00 P.M. Proceeds from this year’s auction will go to the charity of your choice: Susan B. Komen, Race for the Cure; Hospice of Central Iowa or the American Heart Association. Items to be donated for auction may be brought to the church the evening of the auction. Please enclose a card with a brief description of the item, the name of the individual or group making the donation and an approximate value of the item. There will be volunteers at the church to receive items and help set up for the auction. Please plan on having all donated items at the church by 5:30 P.M. I hope everyone is working hard on projects to donate. The Directors-at Large will manage “The Mall in the Hall” that evening. These are items from \$5-25 that are available for purchase. Please consider making donations to this venue as well. There will also be a donation jar for anyone wishing to donate without making any purchases. We are looking forward to another successful event. We have so very many talented and generous members who always make this a wonderful evening of giving and fun. Thank you for supporting the auction!

If you would like to offer your services or merely need more information regarding this event, please email: ricle@earthlink.net or call 276-0041.

Leigh Lussie

NOTES FROM YOUR PRESIDENT

A fun night is in store for the August meeting. I know many of you and your small groups have been getting together auction items. We will have the same auctioneer who made the evening go so quickly last year. He makes it easy to give to our selected charities.

Our thanks to Cindy Blackberg for the inspiring lectures in July. It was interesting to see slides of her quilting room and that of a quilting friend. We can all use ideas to make our work spaces function better.

Patty Barrett, Penny Ray and Shelley Miller are the Nominating Committee helping the board nominate next year’s board and committee chairs. If one of the committee contacts you about a position, please consider it. Working with our fine board, getting to know more about the guild, and meeting more members makes being a board member very rewarding. If you would like to hold a position on the board or would like to recommend someone, please contact a Nominating Committee member.

NEWCOMERS MEETING-August 16th 2005

Urbandale Public Library, 3520 86th St.
(just south of 86th & Douglas)

6:30 p.m. to 8:30 p.m.

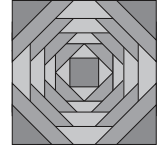

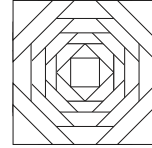

Welcome to all new members of DMAQG. You are invited to join a very special group. NewComers are DMAQG members who have belonged to the guild for less than a year. In addition to the regular monthly meetings of the guild, NewComers meet monthly on the 3rd Tuesday at the Urbandale Library. The purpose is to meet in a smaller setting to review and explain the current activities of the guild, have "show and tell," and present a program about a quilting technique or process. So, any first year members to the guild are invited to join NewComers. Our August meeting will feature Pat Ptasnik, a former guild president, who will share her technique of "stack and whack" quilt making. Pat's enthusiasm and energy will certainly inspire everyone to give it a try. Mike Wigg, this year's quilt show chair, will inform the group about the guild's show in October. We want you to know how to participate in this big event.

**NewComers: Remember to bring your "show and tell" and join us for an interesting evening.

Don't forget to sign up for any upcoming DMAQG workshops. They are a wonderful way to increase your skills and to work with an outstanding quilt teacher. Check out the list in the newsletter.

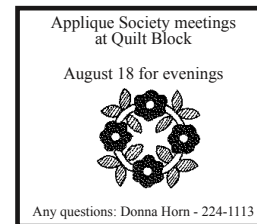

Leigh Lussie 276-0041 ricle@earthlink.net

President's Challenge

The last two years the guild has had a special challenge we call the President's Challenge. This is really our entry into American Quilter's Society Ultimate Guild Challenge, which is shown at the AQS show in Nashville each August. The last 2 themes have been Flowers in My Garden and Something's Fishy. The Flowers in My Garden was juried into the 2004 show. We will be sending Something's Fishy in April for this year's contest. Both of these challenges leaned heavily to our guild appliquéers. I hope my challenge will draw in many of you who are piecers. I am thinking of this as similar to the Museum of the American Quilters' Society annual contest called "New Quilts from an Old Favorite" where quilters make innovative quilts based on a specific traditional pattern. My old favorite is the "pineapple block." The theme is "Hawaiian Hospitality."

Check our web site for links to previous "New Quilts from an Old Favorite" contests.

Library Notes-

The Library is also open 15 minutes after the evening meeting. The new checkout policy is 2 months except for fiction which is 1 month.

Magazine Donations for the Quilt Show

If at all possible please bring magazine donations to the quilt show when you drop off your quilts, before your volunteer shift or when you visit the show. We appreciate your cooperation and it will help our backs! Meanwhile we have accumulated quite a few magazines at the church and they will now be available monthly for a 25 cent donation and will be at a table next to the library. Please come and browse before or after the meeting. This will help purchase new books for the library.

Book Donations

There have been numerous book donations recently and this month we would like to thank Janet Pittman, Mildred Biermann and several anonymous donors for their generosity.

The time is drawing closer to when the Challenge Projects are due. Since it's too hot to be outside I hope all of you are working on your project. Bring your Challenge project to the September Guild meeting for Show N' Tell. It will be fun to see what everyone has come up with for the Iowa theme. If you are needing extra fabric please call the Directors At Large. "Thank You" to the guild board members for bringing treats to the July afternoon meeting and to the Sew N Sews for bringing treats to the evening meeting. In August there will be no potluck or treats. This will allow more time for the Charity Auction.

Keep Cool & Keep Quilting,

Directors At Large

Ellen Cooper, 279-4813 nelliecoop@qwest.net

I don't know about you, but I'm really looking forward to the auction coming up the 23rd. This is another chance to be of service to the community, have a good time, and if you purchase anything, make a charitable contribution. Hope to see you all there!

August 20th will be the first Sewing Day. We have reserved a large meeting room at the Urbandale Library 9-5:30. This day is designed so a small group (well at least smaller than the Guild meeting) can get together, socialize, meet new people, and have time to quilt. (I find it much easier to get to know folks in a smaller setting.) Just like at retreat, you work on what you want, do whatever socializing you want or not and use the time as you wish. I anticipate a day of getting a lot done. Based on the level of participation, we'll see about setting up more sewing days. I'm hoping this will become a regular activity we offer for our members. Please call me to register so we don't have more people than the room can accommodate. The room will only hold about 50. There is no charge for this day. A frig and microwave are available. Bring your lunch, or go out your call.

We're trying to have activities to involve as many members in as many ways as possible. Please mark your calendar and join us. See you at the Sewing Day and then at the auction.

Quilt Show Entry Form

It is time to register your beautiful quilts for the quilt show. I can't wait to see them all. The entry form for entering your quilt in the quilt show can be done electronically or on paper. To submit electronically, access the form via www.DMAQG.org, click on Quilt Show, click on Registration Form, enter the information needed, filling it out in its entirety, and click on submit. The form is easy to use and will save you time and postage. When selecting the category for your quilt please select one that best describes your quilt.

Most of the categories for the quilts are classified by perimeter, which is the total of all four side of the quilt. If you are entering a quilt that you have made for the President's Challenge, enter this quilt in which ever category best fits its description—DO NOT enter it in the DMAQG challenge unless it falls into this category too.

2005 Quilt Show Volunteer Sign-up

A big thanks to all of you who have signed up to volunteer your help at the quilt show in October.

There will be sign-ups at each Guild meeting until the show. None of the jobs are difficult (lots are sit-down even) and it is a great time to get to know more members and make new friends. There will be someone available at the sign-ups if you have questions about the various jobs that need to be filled. We have over 460 positions we must staff for the three days in order for the show to run smoothly. For each shift that you volunteer, your name will go into a drawing for a large Quilters' Gift Basket. And, of course, the day you volunteer, you get to attend the show free.

So please grab a pal and look over the list of positions and find one or more that you can fill. We want this to be a very special show and we want our Guild to shine but it can't be done without your help!!! You can get in touch with either Linda Arndt at 225-2139 or Sandy Holmes at 253-9395 or by email, holmess@qwest.net or twobatts@aol.com (Linda), with any questions or to get your name on the list.

Advance tickets for the quilt show will be available during the month of September. They can be purchased for \$4.00 each at the Guild meeting and at Sponsoring Quilt Shops. Or, you can send a self-addressed, stamped envelope along with your check for \$4.00 x the number of tickets you want to: Debbie Black, 912 - 51st Street, West Des Moines, IA 50265. For more information telephone Debbie Black at 515-222-0744 or e-mail at sblack@iowalink.com

The group quilt category is for quilts that have been made in a DMAQG class or workshop, or for quilts that have been made by a small group, possibly as part of an exchange or round robin, etc..

Once your form is successfully submitted, a verification page will appear. Print out the verification page, insert it in a ziplock bag and attach it to the back, lower right corner of your quilt. An email will be sent confirming the receipt of your entry form. If you don't have computer access, you can use the form in the newsletter. **Make copies if needed. All forms (electronic or paper) need to be submitted no later than Wednesday, August 24, 2005.**

Any questions.

Terry Van Pelt 285-5838

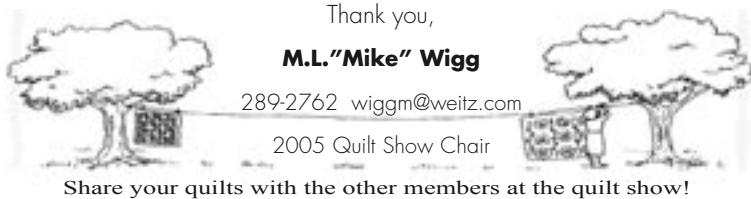

It is getting close to count down time. By now the raffle quilt has been to the Iowa Guild Show, The Governors Conference, Indianola and the State Fair. From now till the 1st of October the quilt will be touring the sponsors shops.

With as much exposure we have had, we hope the show attendance will be up from last year. We need volunteers for the show. Please do your part to help our guild by volunteering for at least one shift. There are so many different areas that need help.

The bigger the show, the bigger the job becomes of keeping it going. This is where most of the money comes from for all of those wonderful speakers and classes that you enjoy throughout the year. Don't you think it is time to give back to your guild?

Please have your entry forms turned in by August 24th to be in the program. You will still have time to take those last stitches. We will have drive up drop off again this year, more about that next month.

Happy Quilting

Little Quilts

Time to start planning your Little Quilts to be sold at the Silent Auction during the 2005 quilt Show. Some Tips: Quilts should be no larger than 20" x 20" or 80" in circumference and be a small representation of a large quilt. Holiday themes sell well. Please to put your name on the Little Quilts you turn in. There will be a special prize drawing in September for those little quilts already turned in. Get yours done early! We will have a basket at the meetings to collect 'Little Quilts' for the Quilt Show. Please help fill the basket!!

Have fun stitching. Remember, the proceeds benefit our guild.

SEPTEMBER VELDA NEWMAN CALIFORNIA

Wednesday, September 28 9:00am-4:00pm TEXTURE AND FORM 1

Nature is an endless source of beauty and inspiration. With this in mind, learn how to get rid of "flat" appliqué. Students will learn to create texture & form using machine techniques.

OCTOBER SARA NEPHEW WASHINGTON STATE

Monday, October 24 6:30-9:30 PM VALUE-ABLE FABRIC

Brain training! These exercises will train your eyes too. Learn how to sort fabrics by value. Subjects discussed: chiaroscuro, isometric 3-D, the effect of large & small prints. First the students lay out a big value chart of about 50 fabrics. (Provided by the teacher, you don't get to keep them.) Each student places at least a few fabrics in the correct position by value. Help can be solicited. Then students cut and exchange small pieces of fabric & glue down a value chart. If time permits, students may also cut & glue fabric to fill a simple 3-D design.

Wednesday, October 26 9:00am-4:00pm 3-D BUILDINGS Intermediate to Advanced

New quilt patterns for isometric 3-D illusion buildings! Some quilts or tops are shown and the theory of Isometric (equilateral) 3-D illusions is briefly discussed. Students learn how to sort fabric into dark, medium, and light. A cutting demo is given for each section of the two-chimney house, after which students cut and piece that section themselves. (Then the next section is demonstrated, etc.) The aim is to complete one house block, after which the student can make the Homestead wall hanging, or try the reverse house block (or another building block) to begin a larger quilt. Bring fabric to piece a block or two rather than enough for a whole quilt.

Thursday, October 27 9:00am-4:00pm SPACE CRYSTAL 2 Intermediate to Advanced

The wall hanging is shown and fabric and color choices are discussed. After a cutting demo, students begin to cut and piece the center hexagonal block (Tumbling Blocks & Stars). The aim of the class is to piece the center block and at least one of the hexagon units. Assembly of the 3-D star and setting in the parts of the triangle units are also covered in class. ** Clearview Triangles will be available to use in class, and to purchase if desired.

The 1800s Quilt Study Group will NOT be meeting at our usual time in August. Our special field trip to the quilt exhibit at Forest Park Museum on Saturday, August 20th will take the place of our usual meeting time in August.

Barb Eckoff will give a special guided tour of her antique quilts and talk about 19th-century quilts to group members. This is a specially scheduled tour for the quilt study group so please contact Kimber Mitchell Van Heukelom at: 993-4005 (home) or 284-2260 (work) if you are interested in attending (no need to call if you already contacted her).

Group members signed up to go should meet at the Forest Park Museum's Baldwin Hall at 11:00 am on Saturday, August 20. Afterward, we will have lunch at the Thymes Remembered Tea Room in Perry. As of this writing, we have filled up all of our reserved spots for the lunch but if you're interested in joining please call Kimber and she can see if the tea room can accommodate any others with our group. We will resume our normal meetings at 7 pm at Creekside Quilting on September 19. The group meets the third Monday of each month.
