Workshop April 24, 2019, 9:00 am – 4:00 pm

Blurred Lines

This class will get you over your fear of triangles. Using the 8-at-a-time triangle squares method you'll be able to piece this quilt much quicker than you ever thought you could. The choice of fabric is what makes the lines in this quilt blur and help create movement in the design. 75" x 87" finished.

Cost: \$50
