Goodness Grows Table Runner

This pattern includes an opportunity to make log cabin blocks and learn a clever variation on string piecing. The finished runner measures 18" x 49". Both the runner and the larger quilt that is also included in the pattern will ensure you feel cheerful all year long!

MATERIALS:

This runner was designed with a four-color line of fabric and the materials list and instructions reference those colors. You can, of course, use any colors you choose. To keep track of color placement, cross out those printed on the pattern and write your in your substitutions.

Pattern: Goodness Grows by Clark Street Quilts (\$10) The pattern also includes instructions for the Goodness Grows quilt, which measures 65.5" x 68.5".
